

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION

KIRK MACKEY,)
vs.)
Plaintiff,) CIVIL ACTION
2015 HEARTHSTONE REALTY INVESTORS, LLC,) Case No. 4:24-CV-00339
Defendant.)

COMPLAINT

COMES NOW, KIRK MACKEY, by and through the undersigned counsel, and files this, his Complaint against Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.* (“ADA”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (“ADAAG”). In support thereof, Plaintiff respectfully shows this Court as follows:

JURISDICTION

1. This Court has original jurisdiction over the action pursuant to 28 U.S.C. §§ 1331 and 1334 for Plaintiff’s claims pursuant to 42 U.S.C. § 12181 *et seq.*, based upon Defendant’s failure to remove physical barriers to access and violations of Title III of the ADA.

PARTIES

2. Plaintiff, KIRK MACKEY (hereinafter “Plaintiff”) is, and has been at all times relevant to the instant matter, a natural person residing in Houston, Texas (Harris County).

3. Plaintiff is disabled as defined by the ADA.

4. Plaintiff is required to traverse in a wheelchair and is substantially limited in performing one or more major life activities, including but not limited to: walking and standing.

5. Plaintiff uses a wheelchair for mobility purposes.

6. In addition to being a customer of the public accommodation on the Property, Plaintiff is also an independent advocate for the rights of similarly situated disabled persons and is a “tester” for the purpose of enforcing Plaintiff’s civil rights, monitoring, determining and ensuring whether places of public accommodation are in compliance with the ADA. Her motivation to return to a location, in part, stems from a desire to utilize ADA litigation to make Plaintiff’s community more accessible for Plaintiff and others; and pledges to do whatever is necessary to demonstrate the plausibility of Plaintiff returning to the Property once the barriers to access identified in this Complaint are removed in order to strengthen the already existing standing to confer jurisdiction upon this Court so an injunction can be issued correcting the numerous ADA violations on this property. (“Advocacy Purposes”).

7. Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC (hereinafter “2015 HEARTHSTONE REALTY INVESTORS, LLC”), is a Texas limited liability corporation that transacts business in the State of Texas and within this judicial district.

8. Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, may be properly served with process for service via its Registered Agent, to wit: c/o Paracorp Incorporated, Registered Agent, 14001 W. Highway 29, Suite 102, Liberty Hill, TX 78642.

FACTUAL ALLEGATIONS

9. On or about October 14, 2023, Plaintiff intended to be a customer at “Himalaya Grocers,” a business located at 14650 FM 529 Rd., Houston, TX 77095, referenced herein as “Himalaya Grocers”. Attached is a receipt documenting Plaintiff’s purchase. *See Exhibit 1.* Also attached is a photograph documenting Plaintiff’s visit to the Property. *See Exhibit 2.*

10. Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, is the owner or co-owner of the real property and improvements that Himalaya Grocers is situated upon and that is the subject of this action, referenced herein as the “Property.”

11. Plaintiff lives 9 miles from the Property.

12. Given the close vicinity of the Property to Plaintiff’s residence, Plaintiff is routinely travelling by the Property.

13. Plaintiff’s access to the business(es) located 14650 FM 529 Rd., Houston, TX 77095, Harris County Property Appraiser’s property identification numbers: 0460960000019 and 0460960000018 (“the Property”), and/or full and equal enjoyment of the goods, services, foods, drinks, facilities, privileges, advantages and/or accommodations offered therein were denied and/or limited because of his disabilities, and he will be denied and/or limited in the future unless and until Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, is compelled to remove the physical barriers to access and correct the ADA violations that exist at the Property, including those set forth in this Complaint.

14. Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, as property owner, is responsible for complying with the ADA for both the exterior portions and interior portions of the Property. Even if there is a lease between Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC and the tenant allocating responsibilities for ADA compliance within the unit the tenant operates, that lease is only between the property owner and the tenant and does not abrogate the Defendant’s independent requirement to comply with the ADA for the entire Property it owns, including the interior portions of the Property which are public accommodations. *See 28 CFR § 36.201(b).*

15. Plaintiff has visited the Property at least once before as a customer and advocate for the disabled. Plaintiff intends to revisit the Property within six months after the barriers to access detailed in this Complaint are removed and the Property is accessible again. The purpose of the revisit is to be a return customer, to determine if and when the Property is made accessible and for Advocacy Purposes.

16. Plaintiff intends on revisiting the Property to purchase goods and/or services as a return customer living in the near vicinity as well as for Advocacy Purposes but does not intend to re-expose himself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

17. Plaintiff travelled to the Property as a customer and as an independent advocate for the disabled, encountered the barriers to access the Property that are detailed in this Complaint, engaged those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access present at the Property.

18. Although Plaintiff did not personally encounter each and every barrier to access identified in Plaintiff's Complaint, Plaintiff became aware of all identified barriers prior to filing the Complaint and because Plaintiff intends on revisiting the Property as a customer and advocate for the disabled within six months or sooner after the barriers to access are removed, it is likely that despite not actually encountering a particular barrier to access on one visit, Plaintiff may encounter a different barrier to access identified in the complaint in a subsequent visit as, for example, one accessible parking space may not be available and he would need to use an alternative accessible parking space in the future on his subsequent visit. As such, all barriers to access identified in the Complaint must be removed in order to ensure Plaintiff will not be

exposed to barriers to access and legally protected injury.

19. Plaintiff's inability to fully access the Property and the stores within in a safe manner and in a manner which inhibits the free and equal enjoyment of the goods and services offered at the Property, both now and into the foreseeable future, constitutes an injury in fact as recognized by Congress and is historically viewed by Federal Courts as an injury in fact.

COUNT I
VIOLATIONS OF THE ADA AND ADAAG

20. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

21. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

22. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

* * * * *

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

23. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

24. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

25. The Property is a public accommodation and service establishment.

26. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

27. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

28. The Property must be, but is not, in compliance with the ADA and ADAAG.

29. Plaintiff has attempted to, and has to the extent possible, accessed the Property in his capacity as a customer at the Property as well as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

30. Plaintiff intends to visit the Property again in the very near future as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

31. Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

32. Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, is compelled to remove all physical barriers

that exist at the Property, including those specifically set forth herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

33. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed, or was made aware of prior to the filing of this Complaint, that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

ACCESSIBLE ELEMENTS:

- i. The total number of accessible parking spaces is inadequate and is in violation of Section 208.2 of the 2010 ADAAG standards. There are 56 total parking spaces at the Property (including four in the back parking lot), which requires a minimum of three accessible parking spaces, but there are only two accessible parking spaces. This barrier to access would make it difficult for Plaintiff to locate an available accessible parking space as such a small number of accessible parking spaces in a large parking lot increases the likelihood of there not being an available accessible parking space.
- ii. Nearest to Unit 14610, the accessible parking space is missing an identification sign in violation of Section 502.6 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate an accessible parking space.
- iii. Nearest to Unit 14610, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This barrier to access would

make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.

- iv. Nearest to Unit 14610, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- v. Nearest to Unit 14610, there is a vertical rise at the base of the accessible ramp that is approximately an inch, in violation of Sections 303.2 and 405.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access public features of the Property when using this accessible ramp as vertical rises on ramps are particularly dangerous as the surface of the ramp is already at a significant slope which increases the likelihood of the wheelchair to tip over due to the vertical rise.
- vi. Nearest to Unit 14610, the Property has an accessible ramp that lacks finished edges or edge protection and/or is otherwise in violation of Section 405.9 of the 2010 ADAAG standards. This barrier to access would expose Plaintiff to increased risk of injury for if the wheelchair should fall off the side edge of the ramp, the lack of edge protection would likely cause Plaintiff to tip and incur injury.

- vii. Nearest to Unit 14620, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- viii. Nearest to Unit 14620, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- ix. Nearest to Unit 14620, there is a vertical rise at the base of the accessible ramp that is approximately 1 ½ inches, in violation of Sections 303.2 and 405.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access public features of the Property when using this accessible ramp as vertical rises on ramps are particularly dangerous as the surface of the ramp is already at a significant slope which increases the likelihood of the wheelchair to tip over due to the vertical rise.
- x. Nearest to Unit 14620, the Property has an accessible ramp that lacks finished edges or edge protection and/or is otherwise in violation of Section 405.9 of the 2010 ADAAG standards. This barrier to access would expose Plaintiff to increased risk of injury for if the wheelchair should fall off the side edge of

the ramp, the lack of edge protection would likely cause Plaintiff to tip and incur injury.

- xii. Nearest to Unit 14620, the bottom edge of the sign identifying the accessible parking space is at a height below 60 inches from the floor in violation of Section 502.6 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate an accessible parking space.
- xiii. There are no accessible parking spaces on the Property that have a sign designating an accessible parking space as “Van Accessible” in violation of Section 208.2.4 of the 2010 ADAAG standards and Section 502.6 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate a van accessible parking space.
- xiv. There is no accessible route leading from the public sidewalk to the accessible entrances of the Property in violation of Section 206.2.1 of the 2010 ADAAG standards. This barrier to access would prevent Plaintiff from using public transportation to travel to the Property and be a return customer at the public accommodations offered there.

34. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

35. Plaintiff requires an inspection of the Property in order to determine all of the discriminatory conditions present at the Property in violation of the ADA.

36. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

37. All of the violations alleged herein are readily achievable to modify to the Property into compliance with the ADA.

38. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

39. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, has the financial resources to make the necessary modifications. According to the Property Appraiser, the collective Appraised value of the Property is \$1,697,928.00.

40. The removal of the physical barriers and dangerous conditions present at the Property is also readily achievable because Defendant has available to it a \$5,000.00 tax credit and up to a \$15,000.00 tax deduction from the IRS for spending money on accessibility modifications.

41. Upon information and good faith belief, the Property has been altered since 2010.

42. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

43. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant,

2015 HEARTHSTONE REALTY INVESTORS, LLC, is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Property, including those alleged herein.

44. Plaintiff's requested relief serves the public interest.

45. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC.

46. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, pursuant to 42 U.S.C. §§ 12188 and 12205.

47. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC, from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendant, 2015 HEARTHSTONE REALTY INVESTORS, LLC to (i) remove the physical barriers to access and (ii) alter the Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;

- (d) That the Court award Plaintiff his reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
